

Camp Bimini is located on Perth Road #113 (also known as the Embro Road) approximately 6 kilometres southeast of Stratford. A winding Trout Creek makes its way through our property making homes for many crayfish, fish and turtles. Many trees also provide shelter for a variety of animals and birds.

Bimini is a space very special because it is a space that encourages campers, staff and volunteers alike to play, to learn, to laugh, to love, to sing, to grow, to teach, to create and to simply be. At Bimini, we strive and promise to strive to make available these opportunities to all who enter our gates.

CAMP BIMINI MISSION STATEMENT

We believe that Camp Bimini is a place where God's creation comes together with respect for each other and the environment. It is our goal to give every child and youth a camping experience where they feel loved and valued for who they are. We strive to be welcoming and inclusive of each individual and provide a safe and nurturing place where campers may experience nature, grow spiritually and create lifelong friendships.
