

# BIMINI BEACON

EXPERIENCE NATURE. GROW SPIRITUALLY. CREATE LIFELONG FRIENDSHIPS

## Major Renovations

Our old washrooms behind the mess hall had facilities for boys and girls. Our project is to renovate the present washroom to construct 4 private gender-neutral showers and private lavatory spaces. The project includes demolition of the inside, electrical work, plumbing work, construction to be done to install the following: new doors, 4 showers, 6 toilets, basins, toilet partitions, and paint and finish the floor. Our intended outcome is to provide inclusive facilities so every camper and staff member feel included and comfortable. We are accepting donations to help cover the cost of this important renovation. E-transfers accepted at [treasurer@campbimini.ca](mailto:treasurer@campbimini.ca). Cheques can be mailed to Camp Bimini.

## Spring at Camp

The 2026 season will be well underway in April. Much cleanup will need to be completed from the fall and winter. Leaves will need raked and repairs and maintenance completed. Spring staff will start in May continuing with this work and preparing for the busy school season. Camp Bimini is already booked solid with schools and outside organizations in June. Staff hiring and training will finish up and camp will be ready to receive summer campers starting June 28th.

# Camp Registration

We still have spots available for campers for this summer. Theme meals, special events, all-camp activities, talent shows and more keep campers busy. Sessions include crafts, music, sports, swimming, nature and Christian Education. Of course, camp would not be complete without campfire every night led by our awesome staff. Life-long friends and memories are made during weeks like these. For campers age 5-7 we offer a shorter week, so they can get use to camp.

Please go to our website at [campbimini.ca](http://campbimini.ca) to find out more information and to register.

# Meet Our Program Team

**Hello! My name is Claire, and I am so excited to be joining the Program Team again this summer. I first came to Camp Bimini at 9 years old with my cousin, not yet realizing how much this place would mean to me. Over the past four summers, I've had the privilege of working fulltime at camp in a variety of roles from counsellor, to several program staff positions, to spring staff, and most recently on Program Team last summer. Camp Bimini has truly become a home for me, one that has changed my life through the incredible people I've worked with and the campers I've met along the way. Whether it's through a quick smile, a short interaction, or meaningful programming, my goal this summer is to ensure every camper has the best week possible while feeling welcomed, valued, and loved. I cannot wait to work alongside Ellie and Carol, and our strong staff team to continue making camp a place where children can enjoy a fun-filled experience while making lifelong connections.**

**Hello! My name is Ellie , and I am so excited to be a part of the Program Team this summer. My first time coming to Camp Bimini didn't happen until I was fifteen and I joined the staff team as a CIT in 2022. I had no idea that Bimini would soon become a second home to me. During the past four summers I have worked full time in various roles at camp, from counsellor to several different program staff positions. Camp Bimini has given me the opportunity to grow as a leader, and I wouldn't be the person I am today if it wasn't for the meaningful connections I've made with both staff and campers. My goal for this summer is to ensure both staff and campers have opportunities to shine and gain confidence in themselves. I hope to help create moments that make campers say "I want to come back next summer," whether it's through my programming or meaningful interactions. I am delighted to be working alongside Claire, Carol, and the amazing staff team we have this summer to give campers experiences they won't soon forget, and friendships that last a lifetime.**
